Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:
Our mission is to improve lives through education. We envision a world where everyone has access to a quality education, is aware of this opportunity and has the resources to take advantage of it. Our work is grounded in the knowledge that an education gives people choices, and leads the way to a better and healthier life. Educated moms and dads raise educated sons and daughters. It's a cycle. The world still has problems, but billions of former students are tackling them.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No
If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No
If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ **208,020** including grants of \$ **123,673**) (Revenue \$ **0**)
Reach: This program sends ninth-grade students to high school who otherwise would not go. In rural Chiapas, less than half of middle school graduates continue their education. Reach aims to end this problem by giving small, well-timed scholarships that help students cover their high school entrance exam fees and school supplies and uniforms in small installments every semester they remain in school.

4b (Code:) (Expenses \$ **106,362** including grants of \$ **11,879**) (Revenue \$ **0**)
Cobach Emprende: Escalera seeks to improve lives through education in innovative, cost-effective ways. Employment opportunities in Chiapas are scarce and even a good education does not guarantee a job. Instead, many students will need to create their own enterprises to generate income. We are using a best-practice curriculum to pilot a program for teaching these skills to high school students.

4c (Code:) (Expenses \$ **43,601** including grants of \$ **0**) (Revenue \$ **0**)
School construction: In 2019 Escalera built a school in Bayalemó Chiapas. Studies show that a new school with decent infrastructure increases student learning time by an average of 12%. Students who learn under tarps and in shacks lose about six weeks of school due to bad weather and teachers who show up less often.

4d Other program services (Describe on Schedule O.)
(Expenses \$ **36,103** including grants of \$ **21,525**) (Revenue \$ **0**)

4e Total program service expenses **394,087**

Also complete this part to provide any additional information. See instructions.

Part I, line 2 and Part III, line 1-3: Monitoring of scholarships

Escalera continuously monitors its scholarship and incentive programs. Reach is monitored through a randomized control trial methodology. Prior to receiving a scholarship payment, each student submits to Escalera proof of their continued enrollment in school. Often teachers and schools submit this evidence in bulk on behalf of their students. Escalera also receives administrative records from the state of Chiapas confirming enrollment status of students. Teacher incentives are given to volunteer teachers who administer Escalera's entrepreneurial curriculum in their classroom. Only teachers who submit proof of curriculum implementation receive the incentives.

Part I, line 3, accounting method: accrual

Part III, column (c) estimated number of recipients: The figures provided include students who received a cash card but did not receive any scholarship payment because they did not later enroll in school. Only students who remain in school during each semester of payment receive funds on their cards.
